

2024 ANNUAL REPORT

PRESIDENT'S MESSAGE

Your commitment to fostering education and personal development through these scholarships has had a transformative impact on the lives of countless young individuals, and it is with profound respect that we acknowledge your

unwavering dedication. I would also like to thank John Connor, our immediate past president; his leadership allowed The Fund to meet future challenges.

The Fund was established in 1956 by local golfing great Willie Turnesa, one of the most successful amateur golfers in U.S. history, and his close friend Udo Reinach. The Fund is proud that 69 years later the mission still holds strong with more than 3,100 caddie scholar alumni and has provided more than \$28 million in scholarship aid. The overall arching principle of The Fund offers financial assistance for those who need it to continue their scholastic career.

Caddies and those who work in other areas of service to golf (pro shop, golf range, course maintenance) play an indispensable role in the world of golf, often serving as the unsung heroes who support and guide players with knowledge, diligence, and integrity. Beyond their contributions on the course, many of these young men and women harbor dreams and aspirations that extend far beyond golf. Your contributions allow them to pursue higher education, empowering them to reach their full potential and achieve their ambitions.

In 2024, we raised \$1.8 million in contributions and provided 204 scholarships totaling \$1.2 million. In fact, as you peruse this annual report, you will see that 88% of our expenditure goes to the scholarship program.

As we look to the future, we are inspired by the possibilities ahead for the students whose lives you touch. Your unwavering support ensures they have the resources and encouragement to overcome challenges and seize opportunities. Through education, we can build a brighter, more equitable future, and your contributions play a crucial role in this endeavor.

On behalf of the MGA Caddie Scholarship Fund, I extend my heartfelt appreciation for your continued support and commitment to making a difference. We are honored to stand alongside you in this mission and look forward to witnessing the continued success of the scholarship recipients.

Thank you for your dedication and being a beacon of hope for so many.

Sincerely,

A handwritten signature in black ink that reads "Jim R Martell". The signature is fluid and cursive, with the first name "Jim" and last name "Martell" clearly legible.

MGA CADDIE SCHOLARSHIP FUND

OUR MISSION

The MGA Caddie Scholarship Fund (MGACSF) fosters the core values of personal responsibility, integrity, and perseverance by giving young men and women in service to golf the opportunity to further enhance their lives through the pursuit of higher education. The Fund provides college scholarships to qualified candidates based on financial need.

OUR HISTORY

The MGACSF was established in 1956 by renowned amateur golfer Willie P. Turnesa and his good friend Udo Reinach. With more than 3,100 recipients since its founding, MGACSF has provided in excess of \$28,000,000 in scholarship funding.

OUR SCHOLARSHIPS

The MGACSF is one of the largest organizations of its kind in the nation with awards that range from \$1,000 to \$15,000 per year for undergraduate study or study at an accredited trade school. Maximum awards are awarded to exceptional students with exceptional need.

ELIGIBILITY

Applicants must demonstrate financial need, have applied to or currently attend an accredited school, and must have completed a minimum of two seasons in “service to golf” at participating clubs and courses in the Fairfield (CT), Bronx, Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster and Westchester (NY) Counties. ‘Service to golf’ includes caddieing, working in the golf shop and bag room, on the practice range, and on the golf course superintendent’s crew. Please note that members or children of members of private golf and country clubs are not eligible to apply.

FUNDING

The MGACSF finances scholarship awards primarily through contributions from individuals, local golf and country clubs, alumni, corporations, and foundations.
